MANDATORY SHIPPING INSTRUCTIONS

GRD/MNF-I CDD Logistics:

GRD Logistics is required to track reconstruction equipment, materials and goods imported into Iraq under the Re-building Iraq effort. GRD Log will also track materiel and goods imported into Iraq under the Defense Transportation System that utilizes commercial ground movements and/or Private Security Company escorts IAW MNF-I FRAGO 08-022. Reconstruction equipment is purchased by the US Government (usually by MNSTC-I, or GRD), and is designed to help rebuild the country of Iraq. The GRD Logistics tracking and inherent accountability process as assuring equipment materials and goods are able to cross Iraqi borders and move to final destination with minimal delay and at reduced risk. In order to accomplish this mission, maximum cooperation is necessary. Prompt notification and compliance with our information requirements will assist in providing advance notice to the point of entry of all inbound shipments. This process affords coordination in the movement of all convoys which will enable improved monitoring and de-conflicted convoy schedule. Prompt notification also improves security coordination through the operations center.

Please ensure you complete the following steps:

Step One:

Identify who the cargo is purchased for consignee for the cargo and determine the mode for the onward movement of the cargo from the port of entry to final destination. If the cargo supports Coalition Forces, it must be processed through the Defense Transportation System (DTS). For DTS cargo and cargo that is explicitly related to the reconstruction of Iraq If the cargo is purchased for the explicit purpose of re-building Iraq (i.e. MNSTC-I/GRD contracts), proceed with the following steps:

Upon contract award, the contractor/consignor the contractor will provide the necessary logistical information required by GRD Logistics. This information can be obtained and updated as necessary by going to the GRD website:

(https://www.rebuilding-iraq.net/portal/page?_pageid=95.1&_dad=portal&_schema=PORTAL)

and selecting the Logistics tab (. Immediately contact the Logistics Movement Coordination Center (LMCC) Watch Officer directly at the following e-mail address: pcolmcc@pco-iraq.net if there are any problems with this process). The contractor contractor/consignor will find three forms listed and available under the logistics heading (Logistics Information Requirements Form, Reconstruction Levy Exemption and Form, Cargo Placards). **Those forms should be individually completed and, with the exception of the cargo placard, sent electronically to the LMCC e-mail address listed above.** Required placards are addressed in Step Three.

The Airway Bill and Levy Exemption Form must also be correlated and sent to the below contacts a **minimum of 7 days before cargo is due** to arrive to prevent pick-up and delivery stoppage once the cargo arrives Iraq. **All shipments will be preceded by an email to SkyLink Arabia providing a Levy Exemption Request Form**

mwheatley@skylinkarabia.com	Operations Manager
fkley@skylinkarabia.com	Cargo Manager
spatel@skylinkarabia.com	Logistics manager

logistics@skylinkarabia.com

The contact number is +964 7901 926 284.

The Logistics Information Requirements Form will be the first form submitted . The Logistics Information Requirements Form should be completed upon award of contract and updated as necessary. All updates and changes to this form should be sent to the same e-mail address as the original form. Additional contact information is available on the GRD website. Remember: Always reference the contract number.

Step Two:

CPA 1-47 CUSTOMS LEVY EXEMPTION AND SHIPMENT REQUIREMENTS FOR RECONSTRUCTION PROJECTS UNDER PROJECT AND CONTRACTING OFFICE (PCO)

*Effective 15 April 2004 Tariff Regulations pursuant to CPA Orders #54, as amended by Order #70 (Orders #54 and #70 are posted on the website), require commercial importations into Iraq to pay a 5% levy except for food, books, medicine, medical equipment, clothes and oil. Additional exemptions include NGO's, International Organizations, **Reconstruction Projects under GRD**, and single exempt donations. Items shipped under this contract are exempt from this "Levy" provided a completed Reconstruction Levy Exemption Form is attached and included with each invoice and packing slip.*

In order to qualify for the exemption, the contractor is required to fill out the Reconstruction Levy Exemption Form and attach the duty free form to each shipment of goods crossing the border into Iraq under this contract. For customs verification, the contractor must submit one copy of the completed duty free form and a copy of the first page of the primary contract to the contracting officer and the GRD Logistics Office at pcocustoms@pco-iraq.net prior to shipment. Customs will send back a stamped copy that must accompany the cargo. *It is the contractor's responsibility to include the stamped and approved Reconstruction Levy Exemption Form with each shipment in order to*

prevent customs delays. The contractor will indicate the estimated time of arrival for the cargo to the point of entry.

Step Two a:

LEVY EXEMPTION WAIVER PROCESS FOR COALITION CARGO

Go to the website below and read the memo that offers step by step directions on completing and sending the required Levy Exemption Form.

https://www.rebuilding-iraq.net/portal/page?_pageid=95,77360&_dad=portal&_schema=PORTAL

(Add the LEW process for coalition cargo as a section 2a.)

Step Three:

Items acquired for Iraqi Reconstruction and as per the “Packing and Marking Instructions” of this contract shall be packaged and marked accordingly. Cargo Placards are available from the website at:

https://www.rebuilding-iraq.net/portal/page?_pageid=95,1&_dad=portal&_schema=PORTAL under the logistics tab located at the top of the page. A memorandum is posted that explains how to complete the placards. There are three placards that need to be utilized when shipping cargo into Iraq. The first placard is for shipments arriving into Baghdad International Airport (BIAP). The second is for shipments arriving into the Port of Umm Qasr. The third placard is for shipments arriving into Abu Ghraib Warehouse via ground transportation. Using these placards will ensure they are properly identified as GRD shipments and will reduce risk of loss or pilferage. **Each shipment must have a cargo placard affixed to all sides of each container, pallet, or package.**

(Add Aqaba placards, should be the same as UO. Need to be added to the web site first)

Step Four:

Contractor will pre-fill DD 250 along with invoice and send either with the shipment or next day airtel to Skylink Arabia to ensure paperwork arrives with or before the cargo arrival to prevent movement delays.

Final Guidance:

Summary of Contractor Requirements:

- 1) Logistics Information Requirements Form
- 2) Reconstruction Levy Exemption
- 3) Cargo Placards
- 4) Pre-filled DD 250 and invoice

It is the **contractor’s responsibility to provide all the requested information mentioned above** including the use of the identified cargo placards in sufficient time to allow for required delivery. Failure to comply with these instructions often result in a lengthy delay of goods and materials being shipped from BIAP or other delivery point to their final destination. Placards missing any information mentioned above are delayed and as a result are held until proper documentation is provided. **Delays resulting from failure to follow the above steps and provide all three completed documents for shipping and delivery are subject to additional handling and load fees at delivery point and will be assigned as the contractor’s responsibility.**

- (1) The offeror and/or any of its principals () are, () are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency,
- (2) () Have, () have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and
- (3) () are, () are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and
- (4) () Have, () have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.
- (i) Taxes are considered delinquent if both of the following criteria apply:
- (A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.
- (B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.
- (ii) Examples.
- (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
- (B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
- (C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.
- (D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
- (i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). (The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).)
