PACTS Offerors:

Over the next five (5) business days, the Government will be sending out e-mails to confirm receipt of PACTS Phase I submissions. These e-mails will only confirm receipt of a PACTS Phase I submission – the e-mails **do not** represent a statement on proposal compliance or evaluation. The Government will utilize the e-mail address(es) provided in the submitted proposal package.

Confirmation e-mails will be sent from the [PACTS@dhs.gov](mailto:PACTS@dhs.gov) e-mail address. Please do not send any e-mails requesting confirmation status before July 16, 2008. Please remember to use [PACTS@dhs.gov](mailto:PACTS@dhs.gov) for any and all correspondence regarding the PACTS program

We appreciate the SDVOSB community and their interest and participation in the PACTS program.

Regards,
