**REVISIONS TO THE RFP NO. SPM302-08-R-0002 (Amendment no. 0002)**

**1. STATEMENT OF WORK**

**a. REQUIREMENTS, Paragraph 10, ORDER PLACEMENT, subparagraph A, page 44.**

**2. ATTACHMENTS**

**a. ATTACHMENT 10, WARTIME CATALOG SOLICITATION WORKSHEET**

Attachment 10 is replaced in its entirety with Attachment 10 of this amendment, provided in Excel Spreadsheets. Lot 5 - Big Island Hawaii, DoD/USDA Schools and Lot 7 – Kauai/DoD/USDA Schools were added.

**QUESTIONS AND ANSWERS**

The answers below are provided for clarification purposes only and do not change the requirements of the RFP.

74. Question: Please clarify further in Amendment no. 002, page 67, section 1.2, “Provide your firm’s overall inventory turnover ratio for each of the years 2006, 2007, and 2008.” May we list by commodity? What time periods do you want us to use for the ratio for each year.

Answer: Provide your firm’s overall inventory turnover for all produce based on calendar years 2006, 2007, and 2008 (January 1 to December 31). An inventory turnover ratio per commodity is not acceptable.

75. Question: I have a question regarding the EDI requirements for the USDA School Lunch customers, as they will be handled by a separate DSCP developed web-based ordering tool as stated. As I have been hearing that to implement a EDI system to utilize STORES is very costly and time consuming and may not be cost effective as such that we were interested in bidding only for Lot 4, I would like to know what the system requirements are.

Answer: There are many commercial vendors that provide EDI software and support. Consult the various EDI vendors to obtain an estimate based on your company’s requirements.

76. Question: On page 68, item 1.2 (Submission Req., Factor no. 1) regarding the "overall turnover ratio for the years 2006, 2007, and 2008", would quarterly figures be sufficient? And is there is preference as to the formulas:

RFP NO. SPM302-08-R-0002, FULL LINE FRESH FRUIT VEGETABLE SUPPORT FOR DOD AND NON-DOD ACTIVITIES IN HAWAII AND GUAM

Sales/Inventory or Cost of Goods Sold/Average Inventory

Answer: Quarterly figures for the overall turnover ratio are not acceptable. There is no government preference for the ratio. The ratio should be consistent with the offeror's internal accounting procedures.

77. Question: We have 16 line items in the market basket that have differing case weights than what is described in the spreadsheet. Is there a way we can note those differences for response purposes? Please advise.
