# Goals of the Pre-Proposal Conference

## Overall Goal:

To assist potential offerors in preparing a responsive, complete and competitive proposal

- Presentation (today) highlights specific key sections of the Solicitation/Request for Proposal (RFP)
- Site Visit and GFE/GFP Review (tomorrow) will provide a visual of the operation facilities and allow potential offerors to see the property and equipment that the Government can provide

Additional Goal: To stress our desire to work with you through the proper communication channels
