10-11. Reserved.

12. One or more of the items under this acquisition may be subject to an Agreement on Government Procurement approved and implemented in the United States by the Trade Agreements Act of 1979. All offers shall be in the English language and in U.S. dollars. All interested suppliers may submit an offer.

13. The proposed contract is restricted to domestic sources under the authority of FAR 6.302-3. Accordingly, foreign sources, except Canadian sources, are not eligible for award.

14-21. Reserved

22. The proposed contract action is for supplies or services for which the Government intends to solicit and negotiate with only one source under the authority of FAR 6.302. Interested persons may identify their interest and capability to respond to the requirement or submit proposals. This notice of intent is not a request for competitive proposals. However, all proposals received within forty-five days (thirty days if award is issued under an existing basic ordering agreement) after date of publication of this synopsis will be considered by the Government. A determination by the Government not to compete with this proposed contract based upon responses to this notice is solely within the discretion of the Government. Information received will normally be considered solely for the purpose of determining whether to conduct a competitive procurement.

23. Award will be made only if the offeror, the product/service or the manufacturer meets qualification requirement at time of award, in accordance with FAR clause 52.209-1 or 52.209-2. The solicitation

identifies the office where additional information can be obtained concerning qualification requirements and is cited in each individual solicitation.

24. This acquisition is for architect-engineer (A-E) services, and is procured in accordance with the Brooks A-E Act as implemented in Subpart 36.6 of the Federal Acquisition Regulation. A-E firms meeting the requirements described in this announcement are invited to submit: (1) a Standard Form (SF) 330, Architect-Engineer Qualifications, Parts I and II, and (2) any requested supplemental data to the procurement office shown. Firms registering for consideration for future Federal A-E projects are encouraged to electronically submit SF 330 Part II, General Qualifications, to <https://orca.bpn.gov/login.aspx>, and to update at least annually. Firms with a SF 330 Part II on file in this central Federal database do not need to submit a Part II for this acquisition unless directed by the announcement. Firms responding to this announcement before the closing date will be considered for selection, subject to any limitations indicated with respect to size and geographic location of firm, specialized technical expertise or other requirements listed. Following an evaluation of the qualifications and performance data submitted, three or more firms that are considered to be the most highly qualified to provide the type of services required will be chosen for negotiation. Selection of firms for negotiation shall be made in order of preference based on the demonstrated competence and qualifications necessary for satisfactory performance in accordance with the specific selection criteria listed in the announcement.

25. Information submitted should be pertinent and specific in the technical area under consideration, on each of the following qualifications: (1) Experience: An outline of previous projects, specific work previously performed or being performed and any in-house research and development effort; (2) Personnel: Name, professional qualifications and specific experience of scientist, engineers and technical personnel who may be assigned as a principal investigator and/or project officer; (3) Facilities: Availability and description of special facilities required to perform in the technical areas under consideration. A statement regarding industry security clearance. Any other specific and pertinent information as pertains to this particular area of procurement that would enhance our consideration and evaluation of the information submitted.

26. Based upon market research, the Government is not using the policies contained in Part 12, Acquisition of Commercial Items, in its solicitation for the described supplies or services. However, interested persons may identify to the contracting officer their interest and capability to satisfy the Government's requirement with a commercial item within 15 days of this notice.

27. The proposed contract is set-aside for HUBZone small business concerns. Offers from other than HUBZone small business concerns will not be considered.

28. The proposed contract is set-aside for Very Small Business Concerns (VSB). A VSB is a small business concern whose headquarters is located within the geographic area served by a district designated by SBA; and which, together with its affiliates, has no more than 15 employees and has average annual receipts that do not exceed \$1 million. Offers from other than very small business concerns will not be considered.

29. The proposed contract is set-aside for Service-Disabled Veteran-Owned small business concerns. Offers from other than Service-Disabled Veteran-Owned small business concerns will not be considered
