The purpose of this Amendment is to address questions from industry and extend the due date for proposals.

A. Questions from Industry:

INDUSTRY QUESTION 1: Will our proposal be disregarded as our name does not appear on the pre-approved supplier list of the United States Army. Is there any truth to this pre-qualified supplier list? And, must pure helium be on the list to be able to successfully participate in the proposal for your requirement of Helium?

GOVERNMENT RESPONSE 1: The company does not need to be on any preapproved list in order for their proposal to be considered. Upon award, the contractor will be required to apply for a theater business clearance.

INDUSTRY QUESTION 2: Since the product is designated for re-export from a US Military Port, is the receipt documentation issued by the US Military Port accepted by the UAE authorities for duty free export?

GOVERNMENT RESPONSE 2: Since the contract will be FOB Origin, the US Government will accept responsibility for the product at origin; therefore, the contractor will not be assessed any duty fees.

INDUSTRY QUESTION 3: Must we provide pricing for the complete term of the contract: years 1 through 5.

GOVERNMENT RESPONSE 3: This is a Firm Fixed Contract; therefore, all line items in the solicitation must be priced in your proposal.

B. The date and time for receipt of questions from industry is no later than 2:00PM CDST (Central Daylight Savings Time) on Thursday, March 19, 2009.

C. Proposal Due date: No later than 2:00PM CDST on Tuesday, March 24, 2009.
