

**JUSTIFICATION AND APPROVAL FOR OTHER THAN FULL AND OPEN
COMPETITION
(In accordance with FAR 6.303-2)**

1. The requesting activity is the Defense Technical Information Center and the contracting activity is the DLA Contracting Services Office in Philadelphia.
2. The procurement is for ETRUST SiteMinder License Subscription: 1 Year Enterprise service for 30,000 licenses. This product is owned by Computer Associates (CA).
3. The Defense Technical Information Center (DTIC) requires this procurement for Annual License Renewal and their Software and Maintenance Support. The estimated cost for this acquisition is \$40,000.00 for a one year subscription. The specific product description is:

Part Number: ETRSB3990002602GG
Quantity: 1
Description: ETRUST SiteMinder License Subscription: 1 Year Enterprise Maintenance service for 30,000 licenses.
4. The acquisition of the Guardian Edge name brand software and maintenance is authorized by FAR 11.105(a) consistent with FAR 6.302-1(a)(2)(ii), and documented per the requirements FAR 6.303-2.
5. This product is proprietary to CA. In addition to CA, DTIC obtained offerings for these products from two other vendors. The two vendors are listed in part 10 of this document.
6. This solicitation will be posted on the Federal Business Opportunities website at www.fedbizopps.gov for 5 business days.
7. The awarded contract's total cost will be determined fair and reasonable based on competition amongst CA resellers. Three quotations have already been received from CA resellers, and more can be received as a result of posting the solicitation.
8. The requesting activity completed market research by contacting CA resellers, and receiving quotations.
9. SiteMinder is used by DTIC both for participation in the GSA sponsored, Presidentially mandated E-Authentication Federation, and contributes to DTIC's role on the DoD FISMA scorecard. Additionally, SiteMinder is used for managing federated logins through DTIC's hosted sites, providing a single sign on to all services. Additionally, usage of SiteMinder allows DTIC to retain compliance with JTF/GNO requirements for providing CAC login capacity by linking a user's CAC to their DTIC registered account.

I hereby certify that the information contained in this justification is accurate and complete.
