Service contract to provide all personnel, equipment, tools, materials and supervision required to perform preventative maintenance on Government owned Material Handling Equipment (MHE) in accordance with (IAW) section 5.2 of the Statement of Work (SOW).

Firm Fixed Price SubCLINs based on estimated quantities of PMs that may occur, but the Government does not guarantee that all PMs will occur for the period of performance. The estimated quantities are the government's best estimate, and the contractor shall only be paid for actual preventative maintenance performed based on DDCT scheduling IAW with SOW section 5.2.1.

The various MHE are located at the Defense Distribution Depot Corpus Christi, 540 First Street, Corpus Christi, TX 78419
