

# SYSTEM COMPONENTS AND STORAGE LOCATIONS

## SYSTEM COMPONENTS AND NOMENCLATURE

The following illustrations depict the ETS components and nomenclature for the tug-to-ship deployment (Illustration sc-1) and the ship-to-tug deployment (Illustration sc-2). To avoid confusion, the nomenclature for each component should remain consistent.

*Illustration sc-1. ETS components and nomenclature for the tug-to-ship deployment.*

*Illustration sc-2. ETS components and nomenclature for the ship-to-tug deployment.*
