Many people contributed to the development of this paper.

Members of the AED/BESO Planning team, Ato Asmelash Meressa and Ato Tedla Kebede provided the programming support for the development of the planning projection model used in this study. BESO II regional planning officers: Ato Tesfaye W/Michael, Ato Tsegaye Mihertab, Ato Assefa Jano, Ato Semegnew Kassaye, Ato Abdi Ahmed and W/t Meyru Ahmed supported the data collection from the schools. W/t Emebet Aschalew designed the cover page, layout of the paper and editorial work after review. She also selected the photographs.

Dr. Tom Tison, The Chief of Party, Ato Setotaw Yimam and other members of the Planning Department participated in the initial design of the study. Dr. Joseph Bastian coordinated the whole study project and authored the final report.

Sincere thanks from the author to all.
