will be announced by an amendment or amendments to this Request for Proposal. All information relating to this RFP, including pertinent changes/amendments and information prior to the date set for receipt of proposals will be posted at www.fbo.gov.

Please complete blocks 1.3, and 1.5 through 1.8 for all persons attempting to gain access to the installation. Provide this no later than two (2) business days before the date proposals are due. Delays are probable at the entry point and should be accounted for. Late receipt of proposals due to base entry delays may not be deemed excusable and the Contracting Officer may declare the proposal late and remove it from consideration.

6. WAGE DETERMINATION

In the event the current prevailing Wage Determination is changed by the Department of Labor prior to the closing date of the solicitation, the most current wage determination is in effect. Should the wage rate change after closing, but prior to award, the updated Wage Determination will be incorporated by amendment and issued to all offerors that have not been eliminated from the competition. If applicable, these offerors/contractors will be given a reasonable opportunity to provide revised proposals solely to amend proposals due to Wage Determination changes. If the wage determination modification does not change any affected wage rates, then the provisions of FAR 22.404-5(c)(4) will apply.

7. PROPOSAL EXPENSES AND PRE-CONTRACT COSTS

This RFP does not commit the Government to pay costs incurred in preparation and submission of initial and subsequent proposals or for other costs incurred prior to award of a formal contract.

8. REMOVAL OF SECTIONS AT TIME OF AWARD

Sections 00100, 00110, 00120, 00600 and all exhibits will be physically removed as a result of an award, but will be deemed to be incorporated by reference in that award.

In compliance with FAR Subpart 4.8, the Government will retain one copy of all unsuccessful proposals. The Government will destroy extra copies of unsuccessful proposals. No destruction certificate will be provided.

10. INFORMATION REGARDING AVAILABILITY OF UTILITY SERVICES

It has been determined that all reasonable utility amounts, where/if physically available, used in connection with this project will be furnished to contractor without cost. 11. BID BONDS

An original bid bond and valid Power of Attorney are required with submission of the proposal at the time and date stated on the SF1442 block 13. Bid bond must be on the most current SF24 form and must include original signatures and raised seals or original stamps for both the principal and surety(ies). Rejection of a bid bond shall be in accordance with FAR 28.101-4 Noncompliance with bid guarantee requirements. Power of attorney must have a raised seal or original stamp of the surety company showing a date between solicitation open and close verifying the original power of attorney is still in full force and effect.

12. EXCEPTIONS

If the offeror takes exception to any of the requirements specified in this solicitation, the offeror shall clearly identify each such exception and include a complete explanation of why the exception was taken and what benefit accrues to the Government. All exceptions to the solicitation requirements (Sections 00010 through 00800) and supporting rationale shall be included in an addendum to the proposal and clearly labeled "Exceptions". An addendum is only required if the offeror takes exception to any requirement in the solicitation. (The Addendum does not have a page limitation, but shall only include information relevant to exceptions taken to the solicitation requirements.) The Government will assume an offeror takes no exceptions to any solicitation requirement if the offeror does not submit an Addendum identifying exceptions. Offerors are advised that solicitation requirements are not necessarily negotiable and such exceptions may render an offeror's proposal unacceptable and ineligible for award.

13. CLAUSES

12.1. Clauses and provisions from the Federal Acquisition Regulation (FAR) and supplements thereto are incorporated in this document by reference and in full text. Those incorporated by reference have the same force and effect as if they were given in full text.
