NOTICE

SOLICITATION NUMBER: HE1254-19-Q-3008

Product or Service Code: 7030
NAICS Code 541512 – Computer Systems Design Services

SYNOPSIS:

This is not a Request for Proposal (RFP) or a Request for Quotation (RFQ). This notice shall not be construed as a commitment by the Government to issue a solicitation, nor does it restrict the Government to a particular acquisition approach.

This is strictly a synopsis to inform industry about an upcoming requirement. The Government will not accept any proposals or quotes based on this notice.

The Department of Defense Education Activity (DoDEA) intends to issue a Request for Quote (RFQ) shortly to procure a secure commercial contractor-hosted cloud solution Learning Management System (LMS) related to instructional content development and delivery, aligned to the DoDEA College and Career Ready Standards (CRRS), and facilitating social interactions within the pre-kindergarten (PK) through 12th grade classroom, virtual school environment and professional learning opportunities for educators.

Projected period of performance is 15 July 2019 – 14 July 2024.

This acquisition will be solicited as a 100% small business set-aside using the procedures in FAR Part 12 – Commercial Items and FAR Part 13.5.

If you are an interested vendor, please add your Company’s information to the Interested Vendor’s list tab on the Federal Business Opportunities site.

Please be advised that offerors must be actively registered in the System for Award Management (SAM) to be eligible for award. For more information navigate to https://www.sam.gov
