Continuation of SF 30, Block 14:

Offerors are hereby notified of the following changes to the RFP 80ARC018R0012:

1. **Correct** a clerical error in Section L.17(b): Section “Past Performance Questionnaires – Written” was incorrectly numbered as L.17(b)(IV) on page L-28. This Section should be L.17(b)(III).

A replacement page is attached to this Amendment.

2. **Delete and replace** the first bullet in Section L.17(b)(III) with the following:

   - For each referenced contract as described above in Past Performance (Volume II), Section L.17(b)(I)(I), the Offeror and each proposed Major Subcontractor shall complete the "CLIENT AUTHORIZATION LETTER" (Page 1) of the Past Performance Questionnaire provided in Section J(b), Attachment 6, and send a blank Past Performance Questionnaire to the cognizant Contracting Officer, the Contracting Officer’s Representative, or the industry contractual contact of each reference contract identified above for completion. If the Offeror or Major Subcontractor does not have enough references to meet these requirements, references shall be provided to the maximum extent possible. This information shall concern only work performed by the Offeror’s or Major Subcontractors’ business entity that will perform the work under this contract, if awarded. The questionnaires returned to the Government will not be counted against the oral presentation proposal’s slide limitation.

A replacement page is attached to this Amendment.
In addition, the Offeror shall provide the rationale for determining that the previous experience with programs of similar scope and complexity is relevant to the SOW technical areas that are marked “X” in the Table above.
